AON has analysed the compensation earned by Promoter and Professional Directors in all large promoter driven companies and leading conglomerates in India. The benchmarking was done against the compensation levels at apex executive positions in publicly listed companies with market cap in the range of INR 7,000 Cr to INR 21,000 Cr.

Basis the benchmarking, it was highlighted by AON that the existing remuneration paid to Mr. Srinivas Bommidala is less than Market benchmark. Hence, the proposed remuneration as detailed in Item No. 4 above, is treated as market correction to bring the remuneration in line with the market average and accordingly, is found to be just and reasonable.

Accordingly the proposed remuneration is a correction to the existing remuneration which is lesser than the 10th percentile of the market remuneration.

Further, the industry benchmarking considers the recommended remuneration on an individual entity basis and takes cognizance that managerial personnel across industry may draw remuneration from more than one entity.

Item no. 10

Regulation 23(4) of the Securities and Exchange Board of India (Listing Obligations and Disclosure Requirements) Regulations, 2015 ("SEBI LODR"), effective April 1, 2023, requires Members approval by way of Ordinary Resolution for material related party transactions. In terms of said Regulations, a transaction with a related party shall be considered as material if the transaction(s) to be entered into, either individually or taken together with previous transactions during a financial year, exceeds ₹ 1,000 crore, or 10% of the annual consolidated turnover as per the last audited financial statements of the listed entity, whichever is lower ("Material RPT"). Further in terms of the Regulation 23 read with Regulation 2(1)(zc)(i) the approval of the Members is also required for Material RPTs between any of the Subsidiary of listed entity on one hand and any related party of the listed entity or its subsidiaries on the other hand (even without the listed entity being party to the transaction).

The Material RPTs would require approval of the Members even if the same are in the ordinary course of business and at arms' length basis.

At the 3rd Annual General Meeting of the Company held on September 27, 2022, the Members had, inter alia, approved Material RPT between two subsidiaries - GMR Warora Energy Limited ("GWEL") and GMR Energy Trading Limited ("GETL") as a continuing Material RPT:

-Sale of power by GWEL to GETL for amounts of upto ₹ 680 crore (net of transmission charge) for each of financial years 2022-23, 2023-24 and 2024-25.

Subsequently, the Members through a resolution passed by way of postal ballot on March 10, 2024, further approved the enhancement of the earlier approved limits of sale/purchase of power as under:

S. no.	Financial year	Value (in ₹ Crore)
i.	2023-24	1000
ii.	2024-25	840
iii.	2025-26	900

However, sale of power by GWEL via GETL is expected to exceed the approved amount of ₹ 840 crore during the current financial year and the next financial year. This is on account of sale of untied capacity quantum under Bilateral contract (which is round the clock) are higher than rates in Day ahead market and Real time market.

Accordingly, it is proposed to increase the value of the aforesaid continuing Material RPTs from the existing value for the below financial years, as follows:

Financial Year	Existing Value (in ₹ Crores)	Revised Value (in ₹ Crores)
2024-25	840	1000
2025-26	900	1000
2026-27	-	1000

As such the approval of the Members granted on March 10, 2024 is proposed to be partially modified to enhance the limit of the Material RPTs between GWEL and GETL for the financial years 2024-25, 2025-26 and seek fresh approval for the financial year 2026-27.

Further, the aforesaid enhanced values of Material RPTs would also ensure that the Company has requisite approval of the Members to adequately cover fluctuations in electricity prices if any during the current financial year and succeeding financial years.

The Audit Committee has noted that the aforesaid enhancement in the value of Material RPT(s) shall continue to be at arm's length basis and in the ordinary course of business. Accordingly, the Ordinary Resolution set out in this Notice is being recommended for approval by the Members. The Audit Committee has, on the basis of relevant details provided by the management, as required by law, at its meeting held on August 14, 2024, reviewed and approved the said transaction, subject to approval of the Members.
